This Charter Agreement is entered into this, the 11th day of April 2014, but and between the Metropolitan Board of Public Education for Nashville and Davidson County (the Chartering Authority) and KIPP Nashville (the Sponsor). Chartering Authority and Sponsor are collectively the Parties to this Charter Agreement. This Charter Agreement shall be binding upon the Governing Body selected by the Sponsor to operate the public charter school proposed in the Sponsor’s Application, dated April 1, 2011.

This contract consists of the following documents:
• This document
• Approved charter school application
• Performance management frameworks – academic, organizational, and financial
• Pre-opening workbook and checklist

For purposes of this agreement, “Charter School” refers to the Sponsor or, once the Governing Body assumes operational and management responsibility for the school, the Governing Body. The terms Charter School, Sponsor and Governing Body are used interchangeably herein.

Recitals:

WHEREAS, the State of Tennessee enacted the Tennessee Public Charter Schools Act of 2002 (TENN. Code Ann. §49-13-101 et seq.) effective July 4, 2002 (the Act) authorizing the establishment of independent, publicly supported schools known as charters schools; and

WHEREAS, the purposes of the Act include providing “options relative to the governance and improvement of high priority schools, the delivery of instruction for those students with special needs, improv[ing] learning for all students and clos[ing]...achievement gap[s];” and

WHEREAS, charter schools “provide [one] alternative means within the public school system for ensuring accomplishment of the necessary outcomes of education by allowing the establishment and maintenance of public charter schools that operate within a school district structure but are allowed maximum flexibility to achieve their goals;” and

WHEREAS, the Act empowers the Chartering Authority to ensure that only those charter schools open and remain open that are meeting the best interests of the pupils, the school district or the community, and the Act enables the Chartering Authority to do this through rigorous authorization processes, ongoing monitoring of the academic, organizational and financial performance of charter schools, and, when necessary, through the revocation or non-renewal of charters;

MNPS Charter School Agreement 2013
NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Parties agree as follows:

1. General Terms

1.1 Applicable Law. This Charter Agreement and the Charter School’s operations shall be governed by and construed in accordance with the laws of the state of Tennessee and applicable federal laws of the United States. Though the Governing Body may, pursuant to Tenn. Code Ann. § 49-13-105, seek waivers from the Chartering Authority or the commissioner of education from Tennessee laws or rules of the State Board of Education that inhibit the Charter School’s mission, the Parties understand that waivers may not be provided from the types of laws and rules specifically listed in T.C.A. § 49-13-105, from any provisions of Title 49, Chapter 13 (the Tennessee Public Charter Schools Act) or those included in the Act by reference, or from other laws specifically applicable to charter schools (such as those related to benefits or retirement of charter school employees contained in Title 8, Chapter 27, Part 3).

As required by TCA §49-13-110, this Charter Agreement includes all components of the Sponsor’s Application, which is incorporated herein by reference and attached hereto as Exhibit 1.

By signing this agreement, the Chartering Authority approves any waivers requested in the Sponsor’s Application. Those requests and any others subsequently requested by the Governing Body are attached as part of the approved charter application.

1.2 Effective Date. This Agreement shall be effective immediately following signature by Sponsor and the Chartering Authority and filing in the office of the Metropolitan Clerk. The Agreement shall expire on June 30 of the tenth year after the date of opening the Charter School for instruction, unless earlier termination or renewed pursuant to the terms of this Agreement.

1.3 Pre-Opening Process. Upon approval by the Metropolitan Nashville Board of Public Education the Pre-Opening process will be sent to the sponsor outlining specific actions that must be put in place during the planning year and completed prior to opening with students. If the pre-opening process is substantially incomplete at the time of inspection, MNPS may decide not to open the school until it has completed all pre-opening steps under TCA 49-13-111 and TCA 49-13-113.

1.4 Charter School Performance. The operation of the Charter School by the Governing Body shall be subject to the terms and conditions of this Charter Agreement and the Act. Decisions by the Chartering Authority regarding renewal or revocation of the Charter Agreement shall be based upon applicable laws and rules, this Agreement and/or the academic, organizational and financial Performance Frameworks incorporated into this Agreement as Exhibit 3.
The Chartering Authority shall have broad oversight authority over the Charter School and may take all reasonable steps necessary to oversee the Charter School's academic, organizational and financial performance, including compliance with this Agreement and applicable law. This oversight authority includes the right to visit, examine, and inspect the school and its records, and to interview Charter School employees, Governing Body members, students, and families.

The Parties agree that the most critical performance measures are the academic measures, which may include student achievement, student growth measures (including annual measurable objectives), readiness for successive school levels (middle, high, or post-secondary) and employment, as well as mission specific academic goals defined in the Frameworks.

The Performance Frameworks supersede all assessment measures, educational goals and objectives, financial operations metrics, and organizational performance metrics set forth in the Application and not explicitly incorporated into the Performance Frameworks. The specific terms, form, and requirements of the Performance Frameworks are maintained and disseminated by the Chartering Authority and will be binding on the Charter School.

The Chartering Authority shall - at least annually - monitor and periodically report on the Charter School's progress in relation to the indicators, measures, metrics, and targets set out in the Performance Frameworks. Such reporting shall become part of the Charter School's annual report to the Chartering Authority and the state commissioner of education.

The Chartering Authority shall also conduct an interim review at the end of the fifth year after the effective date of the Agreement, pursuant to T.C.A. § 49-13-121.

The Performance Frameworks may be modified by the Chartering Authority as required to align with changes to applicable state or federal accountability requirements. Such changes to the Performance Frameworks shall apply to the Charter School as required by law. In the event that any such modifications or amendments are required, the Chartering Authority will use best efforts to apply expectations for school performance in a manner consistent with those set forth in the Performance Frameworks as initially established in the most recent charter agreement.

Changes to the Performance Frameworks that are not required by state or federal law will not become binding upon the Charter School without the Charter School's consent, except at the time of charter renewal or amendment.

1.5 Location. The Charter School is located at 3410 Knight Road, Nashville TN 37207. If the school is located at a site controlled by the Chartering Authority, the use of such site shall be subject to and governed by a Facilities Agreement between the Parties.

1.6 Employment Status. All teachers and other staff of the charter school shall be employed by the Charter School, not the Chartering Authority.
2. Charter School and Chartering Authority Organizational Responsibilities

2.1 Student Enrollment and Retention. The Charter School shall enroll students according to TCA §49-13-113, and, unless otherwise agreed, through the Chartering Authority’s application process. The Charter School shall not discriminate with respect to admissions on the basis of race, ethnicity, religion, national origin, English language proficiency, academic or athletic ability, gender identity, sexual orientation or the need for special education and related services as set forth in the Application and the Act.

The Charter School may enroll students up to a total maximum of three hundred fifty (350). Increases in total enrollment numbers greater than 5% or 25 students, whichever is less, constitute material change in this Charter Agreement, and are not permitted unless formal amendment to this Charter Agreement is secured in advance according to the provisions outlined in TCA §49-13-110(b). Reductions in enrollment greater than 15% or 50 students, whichever is less, must be reported to the Office of Innovation and evaluated to determine if they are material under the charter agreement. Reductions in enrollment in successive years or changes that affect the life of the charter are considered material and require a charter amendment.

“If the number of applications exceeds the capacity of a program, class, grade level or building, enrollment shall occur according to the preferences in T.C.A. 49-13-113(b) (2) (A). “If enrollment within a group of preference set out in subdivision (b) (2) (A) exceeds the planned capacity of the school, enrollment within that group shall be determined on the basis of a lottery” that complies with the quoted statutes.

The Charter School may not “counsel out” students from including a child in the Charter School for any reason, including but not limited to failure to comply with letters of commitment or similar proposed contracts between students and parents and the Charter School.

providing the same equivalent time of instruction as other public schools and complying with assessment and accountability laws and rules (T.C.A. §49-13-105).

High schools must pursue and attain accreditation from the accrediting body approved by the state and MNPS. It is expected that the candidate school status for accreditation will be received during the first year of the charter school operation.

2.2.1 **Assessments.** The charter school must use the required state assessments.

2.3. **Exceptional Education.** Special education services, related services, and accommodations for students who are eligible under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973 (Section 504), the Americans with Disabilities Act (ADA), or any applicable provisions of state law, shall be provided in accordance with applicable state and federal law, this Agreement and the Chartering Authority’s policy. The Chartering Authority is the local education agency (LEA) for purposes of compliance with the Individuals with Disabilities Education Act (IDEA). The Chartering Authority, pursuant to state law, addresses the needs of services for students with disabilities and gifted services in its Exceptional Education division.

2.3.1 **Responsibility of the Chartering Authority.** The Chartering Authority is responsible for ensuring that the requirements of federal and state special education law and regulations are met in the Charter School, and that special education and related services are provided in the Charter School in the same manner as they are provided in the Chartering Authority’s direct-run schools. Additionally, the Chartering Authority will oversee procedural compliance with federal and state law and regulations concerning accommodation of and education of students with disabilities.

The Chartering Authority shall collaborate with the Charter School in the same manner in which it works with its other schools in the identification and referral process, and in conducting initial evaluations for exceptional education. The Chartering Authority shall notify the Charter School if an enrolling student has an existing IEP and the Chartering Authority shall provide the Charter School with such records within 10 days of receipt of a request by the Charter School for the records.

2.3.2 **Responsibility of the Charter School.** The Charter School shall have an effective educational model for the delivery of exceptional education services that complies with federal and state law. Once a student has been identified as eligible for exceptional education services, the Charter School assumes responsibility for the provision of services, development and implementation of individualized education programs (IEPs), etc. Exceptional education services at the Charter School will be delivered by individuals or agencies licensed and/or qualified to provide exceptional education services required by Tennessee law and the IDEA. Charter School staff may participate in any Chartering Authority professional development related to exceptional education or the provision of services pursuant to Section 504. Whenever possible and appropriate consistent with a child’s IEP, Charter School will deliver special education services in an inclusion setting.
The Charter School shall have a qualified exceptional education coordinator who will be responsible for monitoring individual case management of all exceptional education students and for arranging the provision of services required by their IEP. Charter School shall maintain a file documenting Charter School’s compliance with exceptional education requirements.

2.3.3 Costs for Exceptional Education. The Chartering Authority is financially responsible for child find including student identification and initial assessment expenses. Once a student has been determined eligible for special education services and has an individualized education program (IEP), all costs associated with providing educational services to students with disabilities are the responsibility of the Charter School. The Charter School shall bear the financial responsibility for reevaluations and the provision of all services consistent with IEP’s. The Charter School’s financial obligation begins once a student has an IEP.

The Chartering Authority will pass Federal funding to the Charter School based on the per pupil allocation received from the department of education. Funding is available on a reimbursement basis at the end of the first semester for all eligible students enrolled and served at the end of the first attendance period. The allocation for the second semester will be based on the number of eligible students enrolled and served on the December 1 census of eligible exceptional students. In addition, when the Chartering Authority submits requests to the state department of education for high cost students, the Chartering Authority will include students at the Charter School in its count. The Chartering Authority will pay a pro rata share of any high costs reimbursement received from the state for such students at the Charter School.

2.3.4 Compliance. No student shall be denied admission nor counseled out of the Charter School due to the nature, extent, or severity of his/her disability or due to the student’s request for, or actual need for, exceptional education services or accommodations pursuant to Section 504.

The Charter School shall promptly report to the Chartering Authority any and all alleged infractions, complaints, and other non-compliance issues relating to special education.

The Charter School shall indemnify the Chartering Authority for any costs, attorney fees, and/or financial penalties imposed on MNPS by state and/or federal authorities arising out of actions or omissions of Charter School relating to special education.

The Charter School shall promptly notify the Chartering Authority of students expelled. The Chartering Authority shall provide expelled charter school students access to the Chartering Authority’s alternative school programs in the same manner as it provides access to any student within the LEA.

2.6 **Student Information Reporting.** While ensuring compliance with federal and state law regarding student records, the Charter School shall report student information as follows:

6. Transportation

If the Charter School elects to provide transportation for its students, the Chartering Authority shall provide to the Charter School the funds that would otherwise have been spent to provide transportation as provided in TCA § 49-13-114. In order to receive these funds, the Charter School must comply with state laws and state board of education rules regarding student transportation. Transporting students in buses that have not been approved for operation by the department of safety may be grounds for non-renewal or revocation of this agreement.

The Governing Body will ensure that the Charter School establishes policies and procedures for employees and will make those policies available to students, parents/guardians, employees and any other persons who request it. If grievances persist following the actions of the Governing Body, those complaints will be investigated and resolved by the Chartering Authority. Investigation and sanctions by the Chartering Authority are limited to alleged violations of laws or the Charter Agreement.

The Charter School shall notify the Chartering Authority immediately if at any time the Charter School receives notice or is informed that it is a party to a lawsuit.

The Charter School is solely responsible for all debt it incurs, and the Chartering Authority shall not be contractually bound on Charter School's account to any third party. The Chartering Authority shall not be liable for the Charter School’s unpaid debts if the Charter School does not have sufficient funds to pay all of its debts in the event that it ceases operations.

The Charter School shall notify the Chartering Authority immediately of a default on any obligation owed to the Chartering Authority, which shall include debts for which payments are past due by sixty (60) days or more. If debts are incurred in the provision of employee benefits pursuant to T.C.A. § 49-13-119, the Chartering Authority may withhold the amount owed from the monthly

In addition, if the Chartering Authority has reason or reasons to believe the Charter School is not in compliance with the Act and states the reason or reasons in writing to the Sponsor, the Charter School shall submit quarterly financial reports to the Chartering Authority and any other financial and/or operational reports required pursuant to T.C.A. § 49-13-111.

9.6 Financial Records. All financial records of the Charter School pertaining to the management and operation of the School are subject to inspection and production as required for fulfillment of the Chartering Authority’s fiduciary responsibilities.

10 Amendments

Pursuant to T.C.A. § 49-13-110, petitions to amend this Agreement shall follow the timelines established in T.C.A. §49-13-108 for approval or denial by the Chartering Authority and appeal to the state board of education. Any petitions
for amendment must be submitted to the Chartering Authority on or before April 1 each year. An amendment shall not become effective, and the Charter School may not take action or implement the change requested in the amendment until the amendment is approved by the Chartering Authority.

Not all changes to school operation constitute material changes to the Agreement that require an amendment. However, the following changes are considered material and require an amendment:

The Agreement may be renewed without modification, except for the incorporation by attachment of the approved renewal application. The Parties may also amend the Agreement as part of the renewal process. Any proposed amendments to the Agreement that are rejected by one of the Parties shall constitute a denial of the renewal application, and the application may be appealed to the state board of education within ten (10) days of the decision to deny.

The Chartering Authority may elect not to renew this Charter Agreement pursuant to T.C.A. § 49-13-121, for any of the applicable reasons in T.C. A. § 49-13-122, including a material violation of any of the conditions, standards or procedures set forth in this Agreement.

The Charter School shall indemnify and hold harmless the Chartering Authority, its officers, agents and employees from:

- Any claims, damages, costs and attorney fees for injuries or damages arising, in part or in whole, from the negligent or intentional acts or omissions of the Charter School, its officers, employees, and/or agents, including its sub- or independent contractors, in connection with the performance of this Charter Agreement, and,
- Any claims, damages, penalties, costs and attorney fees arising from any failure of the Sponsor, its officers, employees, and/or agents, including its sub- or independent contractors, to observe applicable laws.

13. Contract Construction

13.1 Waiver. The failure of either Party to insist on strict performance of any term or condition of this Operating Agreement shall not constitute a waiver of that term or condition, even if the Party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

13.2 Non-assignability. No right or interest in this Agreement shall be assigned by anyone on behalf of the Charter School, and delegation of any contractual duty of the Charter School shall not be made without prior written approval of the Chartering Authority. A violation of this provision shall be grounds for immediate termination of this Operating Agreement and revocation of the Charter.
Should the Charter School propose to enter into a contract with another non-profit entity to manage the School, the Charter School agrees to submit all information requested by the Chartering Authority regarding the management arrangement, including a copy of the proposed contract and a description of the management company, with identification of its principals and their backgrounds. The Charter School shall not enter into a management contract without written approval from the Chartering Authority.

The Parties recognize that amendments to this Agreement may be executed from time to time hereafter.

13.4 **Survival of Representations and Warranties.** All representations and warranties hereunder shall be deemed to be material and relied upon the Parties with or to whom the same were made, notwithstanding any investigation or inspection made by or on behalf of such Party or Parties. The representations and warranties covered in this Agreement will survive the termination or expiration of this Agreement.
