## Course Name

### Learning Packet Overview

Students will read through the pages and answer reading comprehension questions about the Cold War and Decolonization. If students have access to the internet, then they should watch the videos found in packets by logging into the assignment on Google Classroom. If students do not have access to the internet, then they should skip watching the videos and answer the questions using the readings in packets.

### Necessary Materials

- There are no necessary materials.

### How students will be successful in AP World History

Students will be successful if:

- Write down and memorize specific people, places, things, and events
- Write down continuities and changes you see over time
- Compare and contrast different regions of the world
- Explain the causes and effects of different major events in history

### How caregivers can help students be successful

Caregivers can help students be successful by:

- quizzing their student over the key vocabulary terms with their student
- encouraging their student to study 30 minutes a day in AP World History
- asking their student to identify cause/effect of events, changes and/or things that stay the same over time, and comparing and contrasting different regions of the world.
