Welcome

Hello KIPP Kirkpatrick Students and Families!

Welcome to the 2022-2023 school year! We are about to embark on an educational journey with you and your students. We are rolling into year 7 of KIPP Kirkpatrick Elementary School (KIRKPATRICK)!

For the past 3 weeks staff has participated in Professional Development where they sharpened their educational tools and prepared for a school year that is unprecedented. Teachers have had time to practice lessons and received feedback to ensure your children receive the very best of everyone in our building.

This year we will be all about getting better and growing as a school community/partnership in our work! Staff has come together to dive deep in this year's priorities and vision around relationships, high expectations, high rigor, and collaboration with our school team, as well as our larger KIPP Nashville family. Our original commitment to positively impact ALL students that enter our doors has repeatedly taken place year after year. We are a school that was founded on LOVE, academics, and character building; our foundation remains true. Today, 7 years later, we continue and are fully committed to seeing that commitment through with all of you.

At KIPP Kirkpatrick, we will continue to love your children while pushing them to be their best academically and socially. We will continue to meet them where they are and encourage them to own their learning. We want to foster in them our core values: bravery, curiosity, integrity, joy, love, patience, and persistence. We will also assist in the journey of our KIPPsters becoming our future world leaders.

I cannot tell you how excited we are about this year. I, along with everyone in this building, am committed to each one of your children. I can commit to you that the KIPP Kirkpatrick staff will be intellectually prepared, will always maintain professionalism, and will be held accountable. I will run a school where everyone that enters our doors will be held to a high standard. All of these skills and standards combined equates to EXCELLENCE, and that is exactly what our KIPPsters deserve. We are what EXCELLENCE is!

Sincerely,

Tiffany Potter

Principal

School Beliefs

- Education is based on relationships, much more so than procedures.
- Individual growth is equally as important as individual achievement, in both character and academics.
- We are works in progress and our students are the same. Every day is a new chance for us to work towards becoming the best versions of ourselves.
- ALL students, regardless of their social emotional functioning, deserve the opportunity to learn and grow in a school that encourages risk taking.
- Good teaching is responding to what is in front of you.
- Accountability begins and ends with me. Everything is my job.
- Just because we taught something does not mean students learned something. Data guides decision making.
- Literacy instruction is the primary driver of student academic growth and development.
- Students need to experience things to be able to understand what they read. In order for students to question, understand, and participate in the world around them, they need to experience it. Background knowledge is crucial for student learning.
- A well-rounded education includes academics in addition to arts, language, athletics, and opportunities to develop listening, speaking, and leadership skills.
- When students do not meet behavioral expectations, it is because they have a lagging skill or an

unsolved problem.

- Challenging behavior occurs when the demands of the environment exceed a students' current capacity to respond adaptively.

School Operations

School Schedule

The Daily Schedule

- 7:45am- Doors open
- 3:30pm- Dismissal
- Lunch and recess times vary by grade level. Check in with your students' homeroom teacher for a detailed daily schedule.

Parts of the Day

Arrival Procedures

Arrival is between 7:45am-8:00am. It is very important that all students arrive on time and ready to learn. Parents are expected to bring their student to school if they are walkers or car riders. Parents must take their students to the bus stop as well.

Lunch

Each grade level is assigned a 25 minute lunch daily. Teachers are responsible for taking their students to and from the cafeteria for lunch.

Student Dismissal

Kirkpatrick dismisses for the day at 3:30pm. Families may opt into after school programs or clubs that take place after school hours. Signed permission is required in order for students to stay.

After School: Students

Kirkpatrick offers numerous afterschool programs, clubs and sports. While staying after school, students must be with an adult at all times and are not permitted to roam the hallway without a pass. When a program, club or sport ends, the coach, or staff member should escort students to the exit and ensure they leave the building with a caregiver.

Clubs

Students may sign up to join clubs with parent permission. Schedules and guidelines are created by the owning staff member. We currently offer the following clubs and sports at KIPP Kirkpatrick:

- Cheerleading
- Step Team

- Basketball
- Soccer

Before/After School Programs

Before and after school programs are offered to families that need extended care. Please reach out to the main office for further details. Our current after school partners are:

- JC Movement
- Martha O'Bryan Center
- Kirkpatrick Center

Dismissal Procedures

Dismissal begins at 3:30pm. All students should be picked up by 3:45pm daily. Parents (or designated adults) are required to pick up a student. Students may not walk alone or leave campus alone for any reason.

Visitor Procedures

We have an open-door policy at KIPP Nashville and are excited when visitors want to see our school. We also take school security very seriously. KIPP Nashville contracts with Raptor Technologies to ensure a strong screening process for every visitor to the building. This also applies to parents/guardians who visit our school.

Upon entering a building, visitors will be asked to present an ID such as a Driver's License, which can either be scanned or manually entered into the system. If a visitor for any reason does not have a US government-issued ID, the school staff member can use any form of identification and manually enter the person's name into the Raptor system. The Raptor system will check to ensure that registered sexual offenders are not entering our school campuses without our knowledge, in accordance with state law. A visitor's badge will be provided and must be worn at all times while in the building. A visitor's badge will not be necessary for those who visit our schools simply to drop off an item in the office or pick up paperwork. When a visitor leaves the building, h/she must return to the office to sign out.

Uniform Policy and Expectations

Our dress code requires that all KIPPsters wear uniforms – no exceptions. Uniforms help maintain a school culture of unity and academic excellence. We require KIPPsters to wear uniforms to eliminate the inevitable distractions and status distinctions caused by clothing to ensure that our KIPPsters are focused on learning. All KIPPsters must adhere to the dress code guidelines just as members of a sports team are required to wear a uniform to show their strength in unity, so too are KIPPsters of the KIPP Kirkpatrick School team. When you look at a group of students in the KIPP Kirkpatrick uniform, it is a powerful visual statement of our community. Students make a commitment that when they put on the KIPP Kirkpatrick uniform; they are agreeing to live up to the school's high expectations. Uniforms look professional. Students look neat when they arrive at school with shirts tucked into their khaki pants. The students come mentally prepared for school and “dressed for work.”

- **Mon-Thurs Uniform basic guidelines:** khaki pants, belt, blue KIPP polo, navy or gray KIPP

sweatshirt, closed toed shoes

- **Fri Uniform basic guidelines:** khaki pants, any KIPP or college shirt, any kipp sweatshirt, close toed shoes
- **Note: if uniform guidelines change for specific days throughout the year, we will communicate directly to families in advance*

Families can purchase uniform items on the JBDesigns website (Link: <https://shop2.jbdesigns.com/collections/kippkirk>).

All students (K-4) are required to have an extra uniform, underwear and shoes in their backpack daily in the event that an accident takes place.

Student Personal Belongings

Students are not permitted to have purses, phones, CD players, iPods, toys, or games out at school. If a student has any of these out of their backpack or cubby, they will be taken by the teacher and only returned to the parents. If an item is for show and tell, please contact your child's homeroom teacher to confirm that the item in question is supposed to be brought to school.

Bathroom & Hall Passes

The hand signal for a student who needs to use the bathroom will be to raise his or her hand in an "R" in American Sign Language. Students can go to the bathroom at the teacher's discretion when necessary throughout the day.

We ask parents to notify the school if their child has unique needs regarding use of the restroom so that we can plan ahead for any medical needs. A doctor's note is required so that we can follow medical guidance.

Academic Program

Academic Communication

Teachers are responsible for sending home a red homework folder with each student daily. A red folder will be sent home daily. Homework pages (3rd and 4th grades) or homework packets (Kindergarten - 2nd grade) as well as communication logs (Kinder - 2nd Grade) or Daily Agendas (3rd - 4th Grade) will be sent home daily in the red folder. Teachers will also send home graded assignments and other school related communication in the red folder throughout the week.

Homework Policy

KIPP Kirkpatrick knows working on academics at home is important. Completing assigned homework and reading with your student each night will ensure your KIPPster retains the skills taught in class.

Kindergarten to 2nd Grade

In Kindergarten, 1st grade and 2nd grade, homework is assigned on a weekly basis. A weekly homework packet will be sent home on Monday. The completed packet is due the following Monday. Additional homework assignments will be sent home during long breaks. For example, students will receive homework packets to complete over Fall Break, Thanksgiving Break, Winter Break and Spring Break.

3rd and 4th Grade

In 3rd and 4th grades, homework will be sent home daily. Completed homework pages are due the

following morning. Friday night homework is due on Monday morning. Students will receive ELA and math homework every night, as well as either science or social studies homework following the science/social studies class students had in their schedule that school day.

Communication Logs

All KIPPster parents are required to check homework and folders nightly. Students in Kinder - 2nd grade will receive a communication log daily that includes details about student behavior and academic assignments. Communication Logs should be signed each night by a parent. By providing a signature, a parent or guardian communicates to the homeroom teacher that the information from the previous day has been reviewed. Each grade level communication log includes different information based on what information has been prioritized in each grade level. Homeroom teachers will share examples of grade-level communication logs during Open House.

Student Agenda Expectations

Students in 3rd and 4th grades receive a student agenda (sometimes also called a planner) at the beginning of the year. The purpose of the Daily Agenda is for students to record their homework assignments each night, dean's list points as well as any notes about upcoming assessments or documents that need to be brought home to families. 3rd and 4th grade content teachers will ensure that students have the correct homework recorded each night. Homeroom teachers will ensure that students record any additional necessary notes.

Honor Roll/Dean's List

Students in 3rd and 4th grade who achieve grades of all A's and B's for a quarter in each of their content classes (Math, ELA, Science and Social Studies) will be recognized as earning a spot on the KIPP Kirkpatrick Honor Roll. This recognition will be celebrated at the end of each quarter at a Whole School Celebration.

Students in 3rd and 4th grade who achieve grades of all A's for a quarter in each of their content classes (Math, ELA, Science and Social Studies) will be recognized as earning a spot on the KIPP Kirkpatrick Dean's List. This recognition will be celebrated at the end of each quarter at a Whole School Celebration.

Make-Up Work Policy

In general, classwork and homework assignments missed by students while they are absent are not required to be made-up. Classwork and homework assignments are closely linked to lessons taught that day. If the missed classwork or homework assignment was supposed to be graded, teachers should grade a different and comparable classwork or homework assignment as a substitute for the missed assignment. There may be times when a classwork assignment does not have an easily comparable piece of work to grade (ex. presentation, investigation, etc). In this situation, a student who was absent should be allowed the opportunity to make up the assignment within seven days of the absence. When this is not possible (ex. an investigation with complex materials), the student should receive an "excused" in the gradebook.

If a student is absent the day an assessment is administered, teachers must administer the missed assessment within seven school days of the student's absence. In accordance with the regular grading policies, the made up assessment should be graded and the assessment score entered into grade level trackers within three days of the completion of the assessment. In general, assessment retakes are not provided for students for the purpose of students attempting to improve their grade. The assessment is meant to capture the level of student mastery on the day it was given. In rare situations, teachers and managers may determine that a retake is necessary given a student's circumstances in order to get a more accurate score.

Cheating and Plagiarism

Students are expected to create their own work and use their own brain to show what they know. Any instance of cheating, plagiarism or representing someone else's work as their own will be handled as a level 3 behavior as outlined in our Culture Plan. Students will also be expected to re-do the assignment to demonstrate that it is solely their work.

Student Culture & Conduct

We believe in developing the whole child—your KIPPster will grow academically, socially, and emotionally at KIPP. In order to foster this growth, it is vital that we ensure a consistently calm, safe, and positive classroom environment.

To establish and maintain a school culture that promotes learning and respect for self and others, we have created a behavior communication system that all members of our community uphold, both inside and outside of school. This system holds KIPPsters accountable for following teacher directions, actively listening during instruction, and showing respect to both adults and other KIPPsters. We start the year by explaining to KIPPsters not only what our behavior expectations are, but also why it is important to our school community, since we want KIPPsters to develop ownership over their conduct.

Student Behavior System

The KIPP Kirkpatrick behavior system is designed to focus students on our mission by ensuring that class and school environments are safe and orderly. Below is a description of the school behavior system that is in place:

- while the student is on school grounds;
- during a school-sponsored activity;
- on the school bus or bus stop; or
- during events sufficiently linked to school.

Safe, calm classrooms and student discipline are fundamental to learning at KIPP Kirkpatrick. While students need a challenging curriculum, dedicated teachers and proper materials, they must also have a secure environment in which to learn. Our policy is that a safe environment conducive to learning shall be maintained at school in order to provide an equal and appropriate educational opportunity for all students.

Classroom behavior that interferes with learning and is counter to creating a positive community will be addressed to ensure students are learning positive behavior that will set them up to be successful in school for the long term. All disruptive and off task behavior will be addressed proactively and reactively using the following best practices:

- Setting clear expectations
- Co-creating rules with students
- Reinforcing, reminding, and redirecting language from teachers
- Support to calm down when student is emotionally dysregulated
- Logical consequences for actions including break it-fix it, mess it-clean it, and strategies to repair harm caused to relationships

- Time-out in a Quiet Space to regain self-control
- Collaborative problem solving conversations
- Loss of incentives (recess, field trips, etc...)
- Time with our behavioral specialists
- Calling parents/guardians to discuss successes and challenge

Cougar points, 2nd- 4th grade

Cougar points are an investment system used for students to make connections between their positive choices and the positive effects of those choices. Students will earn points for a wide range of positive things and will lose points for choices that are counterproductive to a safe, trusting, learning-focused school culture.

Students will be able to earn points each day for a variety of behaviors and habits. Generally, points fall into one of three categories: preparedness, essential 8, school wide procedures, school values, and jobs.

| | Behavior | Value | What it looks like | When to reinforce |
|----------------------------------|--------------------------|--------------|---|---|
| Preparedness | Folder | + 1 | Brought to school | Arrival- noted on clipboard and entered on prep |
| | Communication log/Agenda | + 1 | Signed | |

| | HALLS | + 1 | Facing forward, walking with arms still in a straight line | |
| | Tracking the speaker | + 1 | Looking at the person talking | |
| | Strong, silent hand | + 1 | Raising hand | |
| | In-Class transitions | +1 | Walking | |
| | Complete sentences | + 1 | Talking in complete sentences | |
| | Loud and proud | + 1 | Using a voice the class can hear | |
| | Hard work | +1 | Sustained focus to task | |
| Values | Love | + 2 | Helping others, kindness, sharing | Daily, ongoing- entered in real time |
| | Joy | + 2 | Laughter, smiles, positivity | |
| | Curiosity | + 2 | Learning about new things | |
| | Bravery | + 2 | Doing something hard | |

| Jobs (Q3/Q4) | Work Paycheck | + 5 | Payment for completion of responsibilities (and meeting all associated expectations) for the week | Thursday by 3:40pm |

Students can also lose points for choices that are counterproductive to a safe, trusting, learning focused school culture. The behaviors are broken up by levels: Level 1, 2, 3, and 4.

Additionally, the following policies exist to ensure students are focused on their learning while at school:

Social Skills

At KIPP Kirkpatrick we know that students need to build the skills and habits that will set them up for a life of choices, these include social skills and coping skills. KIPP Kirkpatrick staff are aligned on instructional strategies to use for teaching social skills when opportunities arise throughout students' days. Teachers also include specific social skills instruction into their Morning Meeting, breakfast, recess, lunch and Closing Circle activities each school day. In addition, our school counselor teaches social skills to groups of students throughout the year. Our approach is meant to ensure that all students get the opportunity to build positive social skills.

Behavior support interventions

KIPP Kirkpatrick recognizes that each individual student may have unique challenges facing them in and out of the classroom. Because we strive to find solutions for all of our students, a variety of other disciplinary and supportive programs may be put in place. These are not limited to but may include:

- Visual Supports – schedules, communication cards or other visual aid that increase classroom success through structure and routine or support learning new social-emotional skills.
- Behavior Plan – a plan where a student has a daily behavior chart targeting specific behaviors that each teacher fills out and the parents sign each night.
- Segmented Behavior Chart- a plan where students earn privileges and consequences on shorter intervals so they have more chances for success during a day.
- Homeroom Switch – a temporary or permanent move to alter group or individual dynamics.
- Use of de-escalation space- – for a student who is emotionally dysregulated we will follow our de-escalation protocol to give the student personal space to be able to return to regulation.

Students are held to our behavior expectations at all times of the day related to school:

- During school hours
- During a school-sponsored event
- Outside of the school building before the morning bell rings and after the afternoon bell rings
- On the way to or on the way home from school
- Any continuation of an incident that began at school

De-escalation Protocol

Sometimes students need a safe, private space to calm down. We have spaces to support students when they need to get control of their bodies and emotions. De-escalation spaces are not a consequence or a punishment.

When do we use the de-escalation space?

- calming down in another space would threaten the safety of self or others
- other options for calming down have been unsuccessful
- child requests it
- adult notices that the child needs to exert energy in a controlled environment for a short period of time to be able to begin working toward solution

If a child is escalated for an extended period of time, the school will follow these steps

- 15 minutes: family will be called to actively support in de-escalation
- 30 minutes: family will need to come to the school
- 45 minutes: crisis action planning

Volunteer Opportunities

We know our parents and families are immensely talented in so many ways! We always welcome our parents and families as volunteers in our classrooms and school. If you're interested in volunteering, let Ms. Katie know!

Birthdays

The staff of KIPP Kirkpatrick recognizes the importance of birthdays in a child's life and will do our best to make each students' birthday special. In that regard, the class will honor student birthdays during their morning meeting, with the exception being students who do not celebrate birthdays for cultural or religious reasons.

If a parent wishes to celebrate their child's birthday at school, these guidelines must be followed:

- Parents must give the teacher at least one week's notice.
 - Birthday items arriving without notice may be kept in the front office for the teacher to pick up when it will not distract from learning.
- Birthday treats will only be served when it is convenient for the class schedule that day. This will most often happen at lunch or during closing circle activities at the end of the day (3:15pm).

Communication Between Home & School

KIPP Kirkpatrick is committed to communicating with families through a range of formal and information channels.

In addition to our weekly communication folders, you may reach out directly to your KIPPster's homeroom teachers by phone, text or email between the hours of 3:30p-6:00p. You may also call the main office anytime between 7:45am-4:00pm.

We pride ourselves on remaining in frequent contact with our families and love to do so to ensure that they are well informed about their students' academic and behavioral progress. We too believe that in order for a student to be successful, it takes a village and true partnership. We expect families to respond to communication within 24 hours (unless urgent) and attend all meetings and events throughout the year. We keep our contact information updated on our school site as well as in the main office for family use. Families are encouraged to reach out to our teachers and staff as needed by phone or via email.
