

KIPP: Nashville

PUBLIC SCHOOLS

WHEN IS SICK TOO SICK FOR SCHOOL?

Keep your child home if...

Your child has been told to stay out of school by a Medical Provider, School Nurse or the Health Department, etc.

If you have any of these symptoms:

- Temperature above 100.4°F without the use of fever reducing medication
- New Loss of Taste or Smell
- Throwing Up/Diarrhea
- Chills
- Shortness of Breath or Difficulty Breathing
- Rash (covering entire body)

Your child may come to school when...

- All symptoms are gone and there has been no fever for 24 hours without use of medication.
- The student has provided documentation required according to KIPP's policy.
- COVID isolation is complete.

IF YOUR CHILD IS OUT OF SCHOOL DUE TO ILLNESS, PLEASE NOTIFY THE SCHOOL.

COVID GUIDANCE

Subject to individual considerations of each case.

- If your student has symptoms of COVID, keep them home and get a test.
- If your student tests positive, isolate them at home for 5 days and notify school.
- If your student is a close contact monitor for COVID symptoms for 10 days.
- If your student is exposed to COVID and develops symptoms, isolate at home for 5 days.
- Fitted masks should be worn for 10 days after a positive test or an exposure.
- Contact your school nurse for information about Covid, testing, and vaccines.
